There have been several illnesses and deaths in our Department in the past few months. I am not made aware of them all. Sometimes it is weeks and months afterwards that we find out. Please keep our members in your thoughts and prayers. Presidents, please see that Chaplains are made aware. Cards can be sent from individual Auxiliaries as this is really nice to do. Please let us know so that the Department Chaplain can send a card from the Department and we can inform people.

### October 2022

We are looking forward to seeing all of you at Fall Conference in Pikeville! I hope many of you has had their first fundraiser for Buddy Poppy/National Home. If not here is another simple idea for October, you can hold at your Post. Create a Chili Dinner/contest on or around October 13<sup>th</sup> to celebrate the Navy's Birthday. Encourage each Auxiliary member to bring a crock pot of their favorite chili recipe, make it a contest and form a few judges. Award the winner a simple prize. Advertise. Charge \$5 a bowl, Contest makes it fun, or simply do the dinner with fun signage for proceeds to benefit National Home. Chili always is a hit in October! This can be used as a Home Front Hero Fundraiser as well.

Home Front Heroes Program is our main push from National Home. Becoming a Home Front Hero is easy. Simply complete the form and send to National Home. Commit to a dollar amount for your auxiliary donation to National Home, for as little as \$10 per month. This is a monthly contribution instead of a lump sum during the year. This allows National Home to budget and plan their year with amounts they can count on! For the form and more information go to <a href="www.vfwnationalhome.org/hero">www.vfwnationalhome.org/hero</a>. Our goal is for each Auxiliary to commit to this program. Let's do this Kentucky!

I will have two fund raisers this year raising funds for National Home at Fall Conference, Spring Conference, and State Convention! I know you will love these so help us reach a goal of \$1,000 from the Department of Kentucky! Bring extra funds for tickets and support National Home! I hope you will be excited as I am about these!

Have fun in your promotions for Buddy Poppy/National Home! I look forward to all the fantastic Wearable creations for Buddy Poppy at Fall Conference. If you have questions or need help please feel free to contact me!

Remember we encourage each Auxiliary to participate in the Wearable Buddy Poppy Contest to be held at Fall Conference, remember you or your post must order your Buddy Poppies to be eligible to enter. You must have ordered 75% of them or to be safe order what you purchased the year before. Please be in the Buddy Poppy room by 7:30 am Judging is at 8:15 Do Not Be Late! Wearable item must be worn by someone cannot be submitted on a hanger!

### Take Action!

On September 9<sup>th</sup> <u>VFW Action Corp Weekly</u> urges all members to act and contact your congressperson about supporting the Major Richard Star Act. This Act is to Eliminate unjust offset for Chapter 61 Retirees. Read the full story on the <u>VFW Action Corp Weekly</u> September 9<sup>th</sup> and 12the edition. If you are not currently receiving, please sign up per the web site shown at the bottom of this page and follow the instructions to join and contact your congressperson.

In the September General Orders, the link for the VFW priorities list was shared so everyone can see all the upcoming bills in Congress and which ones are supported by the VFW. This month we will share another website that tracks the bills through Congress, and everyone can see where a bill is currently at in the Congressional Process. This is another bit of information that can be used when you are wanting to act on a Bill that is important to you and to our Veteran's.

The following link shows all the bills currently in process in Congress. www.congress.gov/committee/senate-veterans-affairs/SSVA00

When a bill is going through Congress, and it is of interest to you or our Veteran's it is best to include as many groups and organizations as you can. Such as political and civic organizations geared toward young adults. These organizations can be found at colleges and universities in your local area.

Keep your remarks nonpartisan remember we support bills not people or political parties.

Be as creative as you can in your letters, poems, sketches, drawings, and other communications. The idea is to get their attention for the cause. Have your communication stand out against all the hundreds they receive.

### Be an Advocate - Be Informed - Be Engaged

One of the main objectives of the Legislative Program is to improve the lives of our veterans, service members and their families through advocacy.

Sign up for VFW Action Corps Weekly. Subscribe at vfwauxiliary.org by selecting "What We Do" then clicking on "Legislative."

If I can assist in anyway, please contact me at the number and/or e-mail above.

Great leaders do not desire to lead but to serve: Myles Munroe

The goal is Leadership mentoring is to improve retention of good people in our GREAT organization that goes does awesome work for our veteran and community. Mentoring is super important for leaders because, put simply, it brings the best out of the people you lead. Mentoring generates confidence, inspires trust and fast-tracks team development Mentoring is something that can be done successfully done by anyone in a position of experience

Put yourself into the shoes of a new member coming to their first meeting and not knowing anyone or what we do in this organization. They are probably a little scared and wondering how they will be treated. Some people make it through the first meeting and leave the organization when they see petty behavior displayed by those in power. We don't need to lose people who would become valuable members to our organization who have talents beyond our dreams. We must take the time to foster them and teach them about our history. **Established in 1914**, members of the Veterans of Foreign Wars of the United States Auxiliary set out to serve the veterans of this country and our communities in honor of the sacrifices and commitment of every man and woman who has served in uniform.

So this year we will be having mentor bunnies who can hop around to post in their district getting to know new members and taking the time to get to know each new member and imparting wisdom of our programs along with fostering new friendship and bounds of sister or brotherhood. Yes we will have bunny ears and will be doing the bunny hop.

### October 2022

Hello Brothers and Sisters! This year is flying by, but just like every year, our passion for serving our Veterans is unwavering! This month we're going to take a deeper dive into the Homeless Veterans side of the program.

Our National Ambassador has taken a special interest in supporting Homeless Veterans this year. She urges you to utilize your time and resources to coordinate food drives, provide supplies, clothing, counseling, etc. Remember, these Veterans have fallen on hard times, and in some cases, have better luck being homeless than trying to live in a shelter/home. It is our duty as VFW Auxiliary members to serve every Veteran, despite any situation. I urge you to answer the call to support our homeless Veterans.

Our homeless Veterans are also the most likely ones to consider suicide. It's never something we want to deal with, but it is so important that we are equipped should the need arise. The Veterans Crisis Line connects veterans in crisis and their families and friends with qualified, caring Department of Veterans Affairs responders through a confidential toll-free hotline, online chat, or text. Veterans and their loved ones can call 1-800-273-8255 and Press 1, chat online, or send a text message to 838255 to receive confidential support 24 hours a day, 7 days a week, 365 days a year. Support for deaf and hard of hearing individuals is also available.
